REPORT OF GRAND MASTER WORKMAN.

Victoria, B. C., March 14th, 1900.

To the Officers and Representatives of the Grand Lodge of British Columbia, A. O. U. W.:

BRETHREN:—As Grand Master Workman, I beg to tender to the Officers, Committees, and Representatives of this Grand Lodge, a fraternal welcome, and cordial greeting.

In submitting my Report at this Ninth Session, I may state that it is with pride and satisfaction that I am able to report to you that never since the organization of this Grand Lodge, have we been more prosperous, and the reports which will be submitted to you, will no doubt furnish grounds for encouragement and satisfaction.

Within our jurisdiction all has been harmonious; we have a healthy increase in membership; our average age is reduced; and our general funds have been considerably augmented. Our death rate has still caused us to call for twelve assessments. The Supreme Relief Board has been applied to, and have granted \$1,190.74 for the amount of relief required by our jurisdiction.

The offer of "The Washington Workman" mentioned by my predecessor, was taken up by the Committee on Official Organ, with the result that the following Official Circular was issued by me:—

OFFICIAL CIRCULAR No. 1.

Office of the Grand Master Workman.
Victoria, B. C., June 20th, 1899.

To the Officers and Members, A. O. U. W., Jurisdiction of the Grand Lodge of British Columbia:

GREETING:—At the last Session of the Grand Lodge it was duly resolved "That a Committee be empowered to ascertain and make the best arrangements they can in the interests of the Order for the publi-

cation of an Official Organ devoted wholly or in part to the interests of this Order." In compliance with said resolution Grand Recorder J. T. McIlmoyl and Past Grand Master Workmen A. Stewart and J. E. Church, were appointed a Committee on Official Journal. The Committee have made satisfactory terms with the publisher of the "Washington Workman," of Seattle, commencing in this July number, and on the first of each month until you are further notified, the assessment notices will be published in this, the Official Journal, but as the innovation is one our membership is unused to, you will, in addition, receive the usual post card notification this month; but in future this will be discontinued.

The following extract from the "Constitution of Subordinate Lodges" is published for your guidance, viz:—

Article XVI: Notice: "Every member shall record with the Financier his address, and such record shall be deemed his address until he directs a change of record.

'Notices of Official Journal sent by postal or usual methods to the recorded address, shall be deemed legal service, and a bar to any plea of want of notice."

Fraternally in C. H. and P.,

E. J. SALMON,
Grand Master Workman

I regret to state that, some difficulties having taken place on account of the change of management of the paper, the second copy not having been issued in time to comply with our Constitution, and there being general dissatisfaction expressed, I ordered the cancellation of the agreement, and we went back to the old system of notification.

I may here mention that in the Official Organ it was impossible to notify each member of his individual class of assessment. I therefore believe that the present post card system is a better means of notification.

During the year I appointed the following D.D.G.M.W.'s, with the jurisdiction over the undermentioned lodges:—

J. E. Church	Nos. 1, 5, 6, 7
F. W. Walsh	" 2, 11
A. Patterson	" 8, 9
D. J. Dailey	No. 4
M. Sinclair	" 3

My reason for not appointing more Brethren as D.D.G.M.W.'s was, that I had intended visiting the Interior Lodges, and would have had a better opportunity of making a selection, but, unfortunately, business over which I had no control, prevented me from making the visit I so much desired, and I shall feel that you will only be doing your duty if I am censured for not paying more attention to the office which I now occupy.

During the absence of Bros. J. T. McIlmoyl and J. E. Church at the Supreme Lodge, Bro. W. Scowcroft efficiently occupied the position of Grand Recorder, and Bros. J. D. Warren, and H. L. Salmon kindly acted as members of the Committee on Finance.

The inauguration of Nelson Lodge, No. 10, has proved anything but a success. They have not been free from indebtedness to the Grand Lodge since their establishment. They do not reply to the communications of the Grand Recorder or myself, and I see no other course but that their charter should be revoked. I should have called upon them to have surrendered their Lodge ere this, but I had hopes that their members would have been reinstated and have put in their cards in some more prosperous Lodge. I see no reason why there should not be a Lodge in that vicinity.

The brethren in the City finding the necessity of increasing our Order, devised means of establishing another Lodge in our midst. The consent of the City Lodges being obtained, sufficient names were soon secured to establish the new branch of our Order.

On September 15th last Banner Lodge, No. 6, was instituted. D.D.G.M.W., Bro. J. E. Church, was the instituting Officer, and he was capably assisted by P.G.M.W. A. Stewart, Grand Recorder J. T. McIlmoyl, Grand Receiver R. T. Williams, Bros. A. Scowcroft, Wm. Jackson, H. C. Edwards, and T. Banfield.

I had the honour of installing their first officers, who comprised some of our most prominent young professional and business men of our city. The personnel of this Lodge augurs well for its future. I may here mention that the establishment of the Lodge was without expense to the Grand Lodge.

P.G.M.W., Bro. J. E. Church, having spent considerable of his valuable time in his canvass for membership, his colleagues of this Grand Body considered it advisable to present this energetic brother with some token of the Order's appreciation of his services, consequently, at a banquet tendered to Banner Lodge on October 4th, I was delegated to pre-

sent the brother with a gold watch charm, embellished with the emblem of the Order. The object of giving the banquet was to endeavour to enthuse our new brethren in the good work before them.

The Grand Lodge has at all times had before it the importance of the extension of this jurisdiction, but for the lack of suitable brethren who could give their time and attention to so important a subject, we have been unable to do much during the past year.

Learning of an opportunity of establishing a lodge on Texada Island, P.G.M.W., Bro. J. E. Church, consented and was commissioned to establish a lodge in that flourishing mining community, if he considered it advisable so to do. The brother, after duly canvassing the town, reported that there was not sufficient suitable material for the before-mentioned object.

During the early part of this year I had the pleasure of installing the officers of Victoria Lodge, No. 1; Vancouver Lodge, No. 5; and Western Star Lodge, No. 7. On most of these occasions I was ably assisted by Bros. McIlmoyl and Church.

In February last I made an official visit to Granville Lodge, No. 2, Vancouver. I duly installed their officers and found them in a fairly prosperous condition. The members in that city look forward to having another Lodge in their midst in the near future.

I had made an appointment to visit Nanaimo Lodge, No. 4, but at the last moment I was requested to postpone my visit for a more auspicious occasion.

As loyal subjects of Her Majesty, the Queen, and as members of this great fraternity, I consider that our Lodges should keep in good standing those of our brethren who go to South Africa in defence of our country, and that our Supreme Representatives be instructed to endeavour to obtain some recognition for the protection of the beneficiaries of our soldier brethren, in setting aside some portion of "The Supreme Lodge War Fund" for their particular use.

The Supreme Lodge has recommended that memorial services be held each year, as a fitting tribute to the memory of our members who have died during the previous year, and it is thought that the admission of non-members to such services should be encouraged.

I am of the opinion that for the first six months of the year there should be one regular assessment, whether there be a death or not.

Experience has taught us that to double up on any month because our membership has been relieved of one or more assessment, during the previous month or months, is not conducive to the welfare of this jurisdiction. It is easy enough to relieve the membership of assessments the latter half of the year, if it should be necessary. I would therefore, recommend that Beneficiary Rule No. 13, be so amended as to give the Committee on Finance power to carry out said suggestion.

I recently appointed P.G.M.W., Bro. Hy. Hoy, on the Committee on Laws, vice J. Irvine, suspended from membership.

I am advised and quite concur in the opinion, that our Grand Lodge Sessions for the next few years should be held alternatively in Vancouver, Nanaimo, New Westminster and Victoria. Your brethren in this fair City feel highly honoured at the many times the Representatives at Grand Lodge Sessions vote to have the Annual Meeting take place here, but in doing so they consider that justice is not done to the other places in the Province.

I trust the time is not far distant when the Grand Lodge may be prepared to hold sessions in the far interior.

I took upon myself to suggest to some of the Lodges in the interior the advisability of sending but one Representative from a group of Lodges, such as Kelowna, Vernon, and Enderby, or to give proxies to Representatives nearer this meeting place. The funds thus saved could be utilized in the extension of the Order, and making official visits to the before-mentioned Lodges.

Some amendments to the Laws are submitted for your consideration. These are most important, as your Executive have found the laws, especially with relation to reinstatements, frequently misunderstood. It is to be hoped that such changes will be made to render them intelligible to all.

The necessity for avoiding suspension was fully demonstrated in an incident that occurred with a late member of Vancouver Lodge, No. 5, of which I have unofficial information. The brother, who had been sixteen years a member of the Order, failed to pay the assessment on the 28th day of the month; on the 4th of the following month, (previous to the next meeting of the Lodge) he paid his arrears to the Financier of the Lodge. On the 6th of the month he died; consequently, he was under suspension at the time of his death. This is a very unfortunate case, as the widow of our deceased brother is in needy circumstances.

The appeal of Bro. H. C. Edwards, of Vancouver Lodge, No. 5, and my decision thereto is here appended, which, possibly, you may consider good grounds for amending part of our Beneficiary Laws.

In conclusion I most heartily thank my colleagues, one and all, for the courteous and kind assistance rendered me during my official term. I must especially call your attention to the work done by our efficient Committee on Finance and Grand Recorder. With respect to the last named capable brother, having been a very frequent visitor to his office, I can state with some degree of knowledge, that it would be impossible to obtain a more painstaking Grand Recorder. His work has always been up-to-date, and while he does not complain at the emolument he receives, yet, I do not consider it in keeping with the amount of work he has to do to keep the Grand Lodge affairs in proper order.

Trusting you will have a prosperous session, and that it may tend to the enactment of such laws as will keep up our reputation as an Order second to none on the Continent of America.

APPEAL AND ANSWER.

Vancouver Lodge, No. 5, A. O. U. W.
Victoria, B. C., April 14th, 1899.

E. J. SALMON,
Grand Master Workman,
Jurisdiction of B. C.

DEAR SIR AND BROTHER:—I beg to appeal against the action of this Lodge in reinstating Bro. G. Winter, and state the case as follows:—

Bro. Winter was suspended on Assessments 11 and 12 for the month of December, 1898. On the 28th day of March, 1899, he pays to the Financier at the latter's place of business, all arrears and pending assessments. The next regular meeting of this Lodge took place on April 14th, 1899. The Financier reported Bro. G. Winter had paid all necessary monies, and asked for the brother's reinstatement. A motion to reinstate him was accordingly put and carried by the Lodge; the M. W. declared him reinstated. The question was then asked, whether the necessary payment being *made within three months* and the Lodge not *reinstating* the brother within the three months, is the brother legally reinstated? I am of the *opinion he is not*, and beg to ask your reply to this appeal by the 28th April, 1899, the regular meeting night of this Lodge.

I am yours, in C. H. & P.,

H. C. EDWARDS,
177 Douglas St., City.

Victoria, B. C., April 25th, 1899.

H. C. EDWARDS, Esq.—

DEAR SIR AND BROTHER:—In reply to your appeal from the decision of the Master Workman of Vancouver Lodge No 5, I must decide that the action of the Master Workman in allowing Bro. Winter to be rein-

stated at your last meeting, is not in accordance with Rule 27 of the Beneficiary Laws of the Grand Lodge. Certainly, the question is one that any Master Workman may not be very clear upon, for I do not think that Law 26 is explicit enough. Notwithstanding Ero. Winter paid his arrears at the Financier's place of business on the last day of the time limit, he could not have been reinstated until the next meeting of the Lodge, or over two weeks after the acceptance of the arrears by the Financier, and I contend this could only have been done under the terms and conditions of Beneficiary Law 27.

I remain in C. H. & P.,

Truly and fraternally,

E. J. SALMON,
Grand Master Workman.

REPORT OF THE GRAND RECORDER.

To the Grand Master Workman, Officers and Brothers of the Grand Lodge, A. O. U. W., of British Columbia:

BRETHREN:—In compliance with the requirements of the Constitution I have the honour to submit my annual report, showing the business transactions of the fiscal year ending December 31st, 1899.

The financial transactions of the year are set forth in detail in Exhibits A to E inclusive.

During the year there has been eleven deaths, exhausting our full maximum of twelve assessments, leaving a deficiency in the Beneficiary Fund of \$1,190.74. Application for said amount was made to the Relief Board. Upon examination of the books, papers and accounts by the Board our claim was awarded in full.

The financial condition of the Grand Lodge has been gradually improving. You will see by reference to the supplementary returns for January and February that at no time in the history of this Jurisdiction has the General Fund been in so satisfactory a condition.

One new Lodge has been organized during the year, viz., Banner Lodge, No. 6, of Victoria. This Lodge is composed largely of young professional and business men, and bids fair to become in fact what it is in name.

The older Lodges have not shown that activity that is so much desired, and in some instances show a slight decrease in membership.

Nelson Lodge, No. 10, has drifted into an unfortunate condition, the last assessment paid by said Lodge being No. 9, issued in September last. I sent several communications to the Recorder without eliciting any reply, and subsequently reported the Lodge to the Grand Master Workman. I understand he has been confronted with the same difficulty, viz., no reply to his communications.

The applicants admitted during the year have been of a most desirable character, and have assisted materially in reducing the average age of our entire membership.

The increase in membership in the City of Victoria is largely due to the efforts of our indefatigable Bro. J. E. Church, who has always taken so deep an interest in the welfare of our Order.

The receipts and disbursements for January and February, 1900, are as follows:—

BENEFICIARY FUND.

Balance on hand January 1st.....	\$1,889 28
Receipts from assessments	3,607 33
	\$5,496 61
Disbursements	2,000 00
Balance on hand	\$3,496 61

GENERAL FUND.

Balance on hand January 1st.....	\$ 377 84
Receipts	926 12
	\$1,303 96
Disbursements	329 61
Balance on hand	\$ 974 35

In conclusion I beg to tender to the Subordinate Lodge Officers my thanks for their uniform courtesy, and to the Officers of the Grand Lodge my cordial appreciation of their assistance and kindness during the year.

The Committee on Finance have met regularly and punctually every month, and have devoted all necessary time to the important duties entrusted to them. I feel under many obligations to them for valuable assistance.

Faternally submitted in C. H. & P.,

J. T. McILMOYL,
Grand Recorder.

REPORT OF GRAND MEDICAL EXAMINER.

Office of Grand Medical Examiner,
New Westminster, B. C. 1st January, 1900.

To the G. M. W., Officers and Members of Grand Lodge:

BRETHREN:—I have the honour to submit my annual report for the year ending 31st December, 1899.

The number of applications received was greater than in 1898, but still considerably short of what it was in 1897. A large number were added by the formation of a new Lodge in Victoria. The number of rejections is less, proportionately, than in 1898, being eight against nine for the previous year. The deaths for which assessments were called during the year were eleven, or one less than in 1898. With one exception, all were over 40 years of age, and all, except two, had been connected with the Order for more than six years, which is about the average length of membership. It will be noted that no death occurred by suicide during the year.

The usual tables accompany this report and show in detail the work done during the year.

To the different Grand Lodge Officers, especially the Grand Recorder, I beg to offer my thanks for much kindness and assistance during the year, and

Remain in C. H. & P.

W. A. DeWOLF-SMITH,
G. M. E.

We took the liberty of drawing the attention of the Grand Lodge at its last Session to the large amounts owing by some Subordinate Lodges, to the Grand Lodge. We are pleased to be able to say, that some improvement has been made in this respect, but there is still room for further reduction in the indebtedness, which we believe could easily be effected by a little extra effort on the part of Subordinate Lodge Officers, and which would be an advantage all round.

It is with much pleasure that we testify to the continued careful and efficient manner in which the books and accounts of the Grand Recorder and Grand Receiver are kept, and which tends to facilitate the labours of your Committee.

We are also pleased to acknowledge the able, painstaking and willing counsel and help, given to your Committee from time to time by the Grand Recorder, thereby rendering the work of your Committee easier, pleasanter and also more efficient than it might otherwise be.

REPORT OF SUPREME REPRESENTATIVES.

To the Grand Lodge A. O. U. W. of British Columbia:—

Your Representatives attended the twenty-seventh stated meeting of the Supreme Lodge A. O. U. W., held at Indianapolis, Indiana, June the 13th, 1899. The Session lasted eight days and while a vast amount of legislation was proposed by the various officers and members in attendance, yet a wholesome conservatism prevailed, and prevented the enactment of any doubtful law or radical amendment to the Supreme Constitution.

LEGAL STATUS.

The subject of our legal status as a fraternal order came up for consideration by report of a special committee which had been appointed at the previous Session of the Supreme Lodge. The committee recommended the incorporation of the Supreme Lodge. In order to present the matter directly before the Supreme Lodge, and while action upon the committee's report was pending. Representative Colvig, of Oregon, moved that the Supreme Lodge be incorporated, which motion, after a long and careful consideration, was adopted. The Committee on Legal Status prepared a form of charter which, after several amendments, was adopted. The matter was then left to the control of the Relief Committee to select some State of the Union in which to file the articles of incorporation. The Supreme Lodge having expressed a preference for Pennsylvania as the home of the Order—provided, that the laws of that state are liberal in the matter of corporations—the Relief Committee will cause a certificate of such incorporation to be filed in each State and Grand Jurisdiction.

PROHIBITED OCCUPATIONS.

This question was forcibly presented to the Supreme Lodge by the Supreme Master Workman in his annual report, and legislation upon the subject was strongly urged; the matter was referred to a special committee consisting of seven members, which committee did not venture to recommend anything definite on the subject, and it received no further consideration.

TOTAL DISABILITY FUND.

The Supreme Master Workman also, in his annual report, recommended legislation providing for a Total Disability Fund, which was referred to a special committee consisting of seven members, who in reporting thereon recommended that the Supreme Master's suggestions relative thereto be not adopted; the report of the committee was unanimously adopted without debate.

SECRET WORK.

The following resolution was adopted, viz.:

"Resolved, That in order to facilitate and promote a more uniform and perfect rendition of the secret work of the Subordinate Lodges, Grand Master Workmen of the different Grand Jurisdictions shall be authorized to place one copy of the secret work in the hands of the Master Workman of every Subordinate Lodge in their Jurisdiction, under such conditions and restrictions as will guard the absolute safety and secrecy of the book.

"Resolved, That the Finance Committee of the Supreme Lodge be directed to make such provisions as will be necessary to carry out the purport of these resolutions."

MEMORIAL SERVICE.

The Supreme Master in his report recommended that each Grand Lodge set apart one evening of their session for a Memorial Service in honor of departed members and invite the public to attend. This matter was referred to a special committee of seven members, who reported as follows:

"It is recommended that Grand Lodges set apart a portion of each stated meeting for Memorial Service, to be held in memory of those members of the respective Grand Lodge who have died since the preceding stated meeting, under such rules and regulations as they may provide."

THE RELIEF LAW.

Considerable dissatisfaction was expressed by resolution and otherwise over the present condition of the Supreme Relief Law. Some of the low-rate jurisdictions advanced measures to effect an increase in the maximum number of assessments. The representatives from Kansas favoured raising the maximum number to eighteen classified assessments.

Nebraska asked that they be increased to thirteen, it seeming to be a prevalent idea that there is not enough energetic work done in the high-rate jurisdictions, and in consequence thereof the low-rate jurisdictions, who assume to do good and vigorous work, are heavily taxed to support their unambitious brothers of those jurisdictions that are continuously asking relief. Nothing, however, came of these efforts to increase the maximum number of assessments; it seeming to be the general opinion that it would not be advisable to make such a radical change in our beneficiary assessment laws at this time. However, the whole matter, as to whether the law should be changed or not, and if so, in what manner, has been left to a special committee consisting of seven members, who are to make a careful investigation of the entire subject, and report their conclusions at the next session of the Supreme Lodge.

Amend General Law XIV, by adding new Section No. 48, as follows:

Section 48. "No suit or action shall be brought for the collection of any sum or amount claimed to be due under any beneficiary certificate issued by the Supreme Lodge or held by any member of the Supreme Lodge beneficiary department, or by virtue of any law of the Ancient Order of United Workmen, unless the same shall be commenced within two years from the date of the death of the member named herein."

The following resolution, recommended by the Committee on Good of the Order, was adopted:

"Resolved, That the Supreme Lodge, at its Twenty-seventh Stated Meeting, heartily approves the formation of the Grand Recorder's Association, and desires to call the attention of the Grand Lodges of this Order to the benefits to be derived from the attendance of the Grand Recorders at the meetings of the Supreme Lodge, by which their ideas concerning the methods of work, systems of accounts, expenses of management in the financial and clerical work of the Order are interchanged and the same thereby modified, improved and made uniform throughout all Jurisdictions."

Section 45 of the Supreme Lodge Law was amended permitting Grand Lodges to enact laws allowing applicants for membership to be ballotted for under certain restrictions before being examined.

The following resolution was adopted:

"That any Jurisdiction having less than 2,000 members on June 1st,

1899, which shall make a net increase of new members of not less than 500 from said date to June 1st, 1900, shall receive from the Supreme Lodge \$1,000."

**PRESENTATION OF BRITISH FLAG TO THE SUPREME LODGE
ON BEHALF OF THE REPRESENTATIVES OF
THE SUPREME JURISDICTION.**

Your Supreme Lodge representatives had the pleasure and honor in conjunction with the other representatives of the Canadian jurisdiction, in presenting to the Supreme Lodge a beautiful British flag of 12x18 feet dimensions.

Past S. M. W. Bro. Kingsley very kindly consented to make the presentation on behalf of the Canadian jurisdiction and in so doing stated briefly that the Canadian jurisdiction in presenting this flag desired to place before the Supreme Lodge a constant reminder of their loyalty to the A. O. U. W. and of their desire to spread its benefactions throughout the whole of the Dominion of Canada.

The Supreme Lodge accepted the flag with a great deal of enthusiasm, and in giving expression to the thanks of the Supreme Lodges, the Sup. M. W. in very fitting terms referred to the friendly relations which exists and which he hoped would continue to exist between the two great nations on the American Continent, and which incidents of the nature of the presentation of the flag would very materially help to nurture.

The Supreme Lodge then ordered that an American flag of similar dimensions be procured by the Supreme Recorder, and that the two flags be displayed at all future Sessions of the Supreme Lodge.

The incident closed by the Supreme Lodge rising and enthusiastically singing the National Anthem, "God Save the Queen," followed by "My Country, 'tis of Thee."

The next Session of the Supreme Lodge will be held at Sioux Falls, South Dakota, commencing on the Second Tuesday in June, 1900.

[NOTE.—In case the beneficiary named in the above application is a dependent, the fact of such dependency must be established by affidavit to the satisfaction of the Grand Recorder.]

I am temperate in my habits and have no habit, injury or disease which would tend to shorten my life; am now in good health and able to gain a livelihood. I do hereby warrant the truthfulness of the statements in this application, and consent and agree that any untrue or fraudulent statement or any concealment of facts therein or to or from the Medical Examiner, or my suspension or expulsion from or voluntary severing my connection with the Order, shall waive the rights of myself and my beneficiaries, heirs and all other persons claiming under my Beneficiary Certificate or from my membership in the Order, to all rights, benefits and privileges thereof. I agree for myself, my beneficiaries, heirs and all such other persons, that in any and all questions, controversies, actions and trials in court or otherwise, which shall arise between myself and between them or any of them and the said Grand Lodge and any Subordinate Lodge, it shall be presumed and taken *prima facie* that every officer of such Grand Lodge and every Subordinate Lodge, in the sending of notices and otherwise, has in all respects fully performed his duty and fully complied with all the laws of said lodges, and that the burden of proving failure of such performance or compliance shall rest upon me and said beneficiaries, heirs or other persons; that I will and they shall conform to and abide by and be subject to the Constitution, Laws, Rules and usages of said Grand Lodge and Order, now in force or which may hereafter be adopted by the same. I do also agree that this application shall be, become, and form part of my contract with said Grand Lodge, and that I will, within the time provided in said Laws, Rules and usages, pay all assessments, calls and other demands made upon me, and that should I fail or neglect to so pay or to conform to, abide by or observe any Rule, Law or usage of said Grand Lodge and of the Order, my membership therein, and my medical examination and the agreements and warrants therein contained, and also all rights, benefits and privileges of my beneficiaries, heirs, and such other persons shall cease and terminate; that I have never applied for membership in the A. O. U. W. and been rejected (if rejected applicant shall state when and where.) I further agree that if I shall become an habitual drunkard, or shall hereafter engage in or enter the business of selling liquor at retail, or become a dram-shop keeper or a bar-tender, or if my death shall be caused directly by the use of intoxicating liquors, even if I shall have paid all my regular assessments and other legal demands upon me by said Grand Lodge and the Order, that such action or actions on my part shall render my membership null and void, and terminate all the rights, benefits and privileges of myself and my beneficiaries, heirs, and such other persons therein; and I hereby accept notice that no Subordinate Lodge, or officer thereof, has authority to waive any provision of the Laws or Constitution governing

said lodges, said Grand Lodge or the Order. I further agree that if within two years after the date of my taking or receiving the said Workman degree, my death should occur by suicide, whether sane or insane except in delirium resulting from disease, or while under treatment for insanity, or after a judicial declaration of insanity, then the only sum which shall be paid, or which is payable to my beneficiaries named in my Beneficiary Certificate, shall be the amount which I have paid into the Beneficiary Fund of the Order during the term of my membership.

I agree that the Beneficiary Certificate to be issued to me shall have no binding force whatever until I have received the Workman Degree, and shall not be evidence of membership until countersigned by the Master Workman and Recorder of said.....

DOCUMENT NO. 3.

Hall of Vancouver Lodge, No. 5, A. O. U. W.,
Victoria, B.C., March, 1900.

To the Grand Master Workman, Officers and Members of the Grand Lodge of British Columbia, A. O. U. W.:

Dear Sirs and Brothers:—By instruction of this Lodge I beg to submit for your consideration and action the following statement re late Brother O. Warner, of this Lodge, who died while under suspension.

The Brother became suspended on the twenty-ninth day of last September for the non-payment of Assessment No. 9.

On the fourth day of the following month his wife came to my place of business and paid the arrears and pending assessment.

The next regular meeting of this Lodge took place on the second Friday of October, which was the thirteenth day of the month.

In the meantime Bro. Warner died, I believe from the result of an accident, consequently he was not re-instated by a vote of the Lodge as required by our laws.

Bro. Warren joined the Order in June, 1882, as a charter member of this Lodge, and has paid in since that time about \$534.00, \$200.00 of which he has paid into the jurisdiction of British Columbia.

In conclusion I respectfully submit that this unfortunate occurrence is one to which we are exposed every time an assessment is levied, and the amending of our laws governing re-instatement, which is to be submitted for your consideration, is, as far as I can see, the only method of avoiding a recurrence.

I remain,

Faternally yours,

W. JACKSON,
Financier.

Referred to the Committee on Good of the Order.

DOCUMENT No. 5.

To the Grand Master, Officers and Delegates, Grand Lodge of British Columbia, A. O. U. W.:

Dear Sirs and Brothers:—Whereas Assessment No. 9 was issued on the 1st day of September, 1899, and was therefore payable in strict accordance with the law not later than the 28th day of that month, and

Whereas Bro. Orlando Warner, a member of Vancouver Lodge No.

5, paid the said assessment on the 4th day of October, 1899, six days after the time allowed by law and before he could be re-instated by the Lodge, and

Whereas Bro. Warner has been declared suspended at the time of his death and according to the interpretation of our laws deprived of the benefits of the Order, and

Whereas Bro. Warner left behind him a widow of advanced years, practically without any means of subsistence,

Therefore, we pray the Grand Lodge of British Columbia to take such steps in relieving of such distress as it may deem expedient.

C. W. KIRK,

PHIL R. SMITH.

This hideous be massacre; upon which and brandished their pre- chief, and the six who re- deck, fell immediately on the

the Spaniards with whom they were intermingled, and in a very short space laid forty of them at their feet, above twenty of whom were killed on the spot, and the rest disabled.

In the beginning of the tumult, many of the officers rushed into the great cabin, where they put out the lights and barricaded the door; while of the others, who had escaped the first fury of the Indians, some endeavoured to escape along the gangways to the fore-castle, where the Indians, placed there on purpose, stabbed the greater part of them as they attempted to pass, or forced them off the gangways into the waste of the ship, which was filled with live cattle. Some threw themselves voluntarily over the barricades into the waste, and thought themselves fortunate to lie concealed among the cattle; but the greatest part escaped up the main-shrouds, and took shelter in the tops and rigging of the ship. Although the Indians only attacked the quarter-deck, yet the watch in the fore-castle, finding their communication cut off, and terrified by a few of the wounded who had been able to force their passage, and not knowing either who were their enemies, or what were their numbers, they also gave all over for lost, and in great confusion ran up into the rigging of the foremast and bolt-sprit.

Thus these eleven Indians, with a resolution perhaps without example, possessed themselves almost in an instant of the quarter-deck of a ship mounting sixty-six guns, and manned by near five hundred hands, and even continued in peaceable possession of this part for some time. During a considerable space, the officers in the great cabin, among whom were Pizarro and Mindinuetta, the crew between decks, and those who had escaped into the tops and rigging, were merely anxious for their own safety, and were incapable of forming any project for suppressing the insurrection and recovering the possession of the ship. The yells of the Indians, the groans of the wounded, and the confused clamours of the crew, all heightened by the darkness of the night, had at first greatly magnified the danger, and filled them with imaginary terrors. The Spaniards were sensible of the dissatisfaction of their impressed hands, and were conscious of their barbarity to their prisoners, wherefore they concluded that the conspiracy was general, and considered their own destruction as infallible; insomuch, that some are said to have designed to leap into the sea, but were prevented by their companions,

When

wind almost perpetually prevails in the southern part of the Pacific Ocean, and this current of air being interrupted by the enormously high range of the Andes, and by the mountains on Terra del Fuego, which together bar up the whole country as far south as Cape Horn, a part only of the wind can force its way over the top of these prodigious precipices, while the rest must naturally follow the direction of the coast, and must range down the land to the southward, and sweep with an impetuous and irregular blast round Cape Horn, and the southermost part of Terra del Fuego. Without placing too much reliance on these speculations, we may assume, I believe, as incontestable facts, that both the rapidity of the currents, and the violence of the western gales, are less sensible in lat. 61° or 62° S. than nearer the coasts of Terra del Fuego.

Though satisfied, both from our own experience and the relations of other navigators, of the importance of the precept here insisted on, of proceeding to lat. 61° or 62° S. before any endeavours are made to stand to the westwards, yet I would also advise all ships hereafter not to trust so far to this management as to neglect another most essential maxim: Which is, to make this passage in the height of the *antarctic summer*, or, in other words, in the months of December and January, which correspond exactly to the months of June and July in our northern or arctic hemisphere: and the more distant the time of passing may be from this season, so much the more disastrous the passage may reasonably be expected to prove. Indeed, if the mere violence of the western winds be considered, the time of our passage, which was about the antarctic autumnal equinox, was perhaps the most favourable period of the whole year. But then it must be considered that there are, independent of the winds, many other inconveniences to be apprehended in the depth of winter, which are almost insuperable. For, at that season, the severity of the cold, and the shortness of the days, would render it impracticable to run so far to the southward as is here recommended. The same reasons would also greatly augment the danger and alarm of sailing, at that season, in the neighbourhood of an unknown shore, dreadful in its appearance, even in the midst of summer, and would render a winter navigation on this coast, beyond all others, most dismaying and terrible. As I would, therefore, advise all ships to make their passage, if possible, in December and January
